THE MISSION— Daughters of the King is a Christian Mentoring Ministry for Girls. The mission of Daughters of the King is to minister to the needs of each girl and to provide useful tools necessary for daily Christian living. Our aim is to become part of a strong foundation on which each girl can build the faith and character vitally needed to lead a fruitful life within her community and to fulfill her role in the body of Christ. Our aim is to inspire Daughters of the King to live their lives in a manner the brings glory and honor to God.
